Support and Services:

We offer technical support and service for our Dimmable LED Light Bulbs. Our technical support staff is available to answer any questions you may have and help you with installation and troubleshooting.

We also provide a warranty for our Dimmable LED Light Bulbs. Our warranty covers any defects in materials or workmanship for a period of one year from the date of purchase. If you encounter any issues with your bulbs during this time, we'll be happy to replace them at no cost.

Packing and Shipping:

Packaging and Shipping

Dimmable LED light bulbs are carefully packaged and shipped in a cardboard box. The box should have the following components:

One or more LED bulbs.

Instructions on how to install and use the bulbs.

Protective padding or foam to prevent damage during shipping.

The box should be sealed with tape to ensure the package remains secure during transit. The box should also be labeled with the customer's shipping address and the package's contents.
